

Real Pet Products

Normally I'm a big fan of Amazon.com but authenticity isn't their responsibility. Marked with an "X" are fake Phycox. The green "?" are possibly real Phycox.

 **There is no enforceable law preventing the sale of counterfeit pet products.***

If discovered, the penalty is a "cease and desist" by the FDA.

Counterfeiting a \$50 pet product is the same as counterfeiting \$50 bills.

Without any risk of punishment.
